

Current cooperation's with foreign universities

University	Country	Study programme
CDHAW: Chinesisch-Deutsche-Hochschule für Angewandte Wissenschaften	China	Automotive Engineering, Mechanical Engineering, Mechatronics / Sensor Technology
Cranfield University	UK	Mechanical Engineering,
ENIM Metz	France	Mechatronics / Sensor Technology
GJU: German-Jordanian University	Jordan	Mechatronics / Sensor Technology
Högskolan Väst, Trollhättan	Sweden	Mechanical Engineering, Mechatronics / Sensor Technology
James Madison University	USA	Applied Computer Science, Computer Science and Communication Systems, Electrical Engineering, Mechanical Engineering, Mechatronics / Sensor Technology
Los Alamos National Laboratory, Los Alamos	USA	Electrical Engineering
NTB Buchs: Interstaatliche Hochschule für Technik Buchs	Switzerland	Mechatronics / Sensor Technology
Salvador University–UNIFACS	Brazil	Applied Computer Science, Computer Science and Communication Systems
Saxion Hogeschole, Enschede	Netherlands	Electrical Engineering, Mechanical Engineering, Mechatronics / Sensor Technology
SDU Sønderborg: Syddansk Universitet Sønderborg	Denmark	Mechatronics / Sensor Technology
Tec de Monterrey: Tecnológico de Monterrey	Mexico	Electrical Engineering
Tonji-Universität, Schanghai	China	Mechanical Engineering
TU Georghe Asachi	Rumania	Mechanical Engineering
TU Lodz	Poland	Electrical Engineering, Mechatronics / Sensor Technology
Universidad de Vigo	Spain	Applied Computer Science, Computer Science and Communication Systems, Electrical Engineering
Université de Lorraine	France	Applied Computer Science, Computer Science and Communication Systems, Electrical Engineering
University College, Cork	Ireland	Mechanical Engineering
University of Guelph	Canada	Applied Computer Science Computer Science and Communication Systems
University of Luxembourg	Luxembourg	Applied Computer Science
