

Become a member of the Saarland University of Applied Sciences family. We are one of the most research-oriented universities of applied sciences in Germany with a strong entrepreneurial spirit. Thanks to our active university partnerships around the world and twelve Franco-German degree programs, we are both Francophile and internationally oriented. Our university currently has over 6,000 students and is located in the heart of Saarland's capital city, Saarbrücken. Enjoy the benefits of a dynamic and lively border region with an exceptionally high quality of life while providing the next generation of specialists and managers with the best possible education and preparing them for the challenges of the future.

The Business School has a vacancy for the following position to be filled at the earliest possible date:

W2 professorship for general business administration with a focus on sustainability management

→ Your profile

- Sound scientific knowledge in the field of economics
- Sound knowledge in the areas of ecological and economic sustainability management, e.g. strategic sustainability and transformation management, sustainability controlling & data analysis as well as governance, compliance & sustainability policy
- Knowledge of ecology (e.g. material flow management, biodiversity, climate change interactions) or environmental economics (e.g. internalization, environmental certificates) or in the field of renewable energies is desirable
- Outstanding scientific aptitude, demonstrated by a doctoral degree, and teaching aptitude
- At least three years of practical professional experience in the desired field
- An application-oriented research profile in the field of sustainability management, proven by corresponding publications
- Strong language skills in German and English
- Additional language skills in French and/or another world language are desirable, as is proof of international contacts and experience

Your tasks

- Offering corresponding courses in the field of sustainability management (Bachelor and Master courses), primarily at the Business School in German and English
- Willingness to take on basic courses in the field of general business administration
- Developing and implementing contemporary teaching formats
- Dedicated participation in furthering the faculty and the university, as well as in academic self-governance
- Willingness to cooperate and work in an interdisciplinary manner across different fields of study
- Representing your subject area in teaching, research, scientific development and public relation matters
- On-site presence at the university in order to provide optimal support for students

Your application

Please send your application with the short applicant profile (m/f/d) available on our website at htwsaar.de/stellenausschreibungen as well as a letter of motivation, your curriculum vitae, scholarly background, a description of your professional activities within and outside the university sector, copies of certificates, a list of publications, a brief concept outlining potential areas you wish to focus on in teaching, research and transfer, quoting the reference number 130 by 10.31.2025, in electronic form only to berufungsverfahren@htwsaar.de

We take the protection of your personal data very seriously. Information pursuant to Art. 13 DSGVO for applications for job advertisements can be found at: htwsaar.de/datenschutz
