Become a member of the Saarland University of Applied Sciences family. We are one of the most research-oriented universities of applied sciences in Germany with a strong entrepreneurial spirit. With our active university partnerships around the world and twelve Franco-German degree programs, we are both Francophile and internationally oriented. Our university currently has over 6,000 students and is located in the heart of Saarland's capital city, Saarbrücken. Enjoy the benefits of a dynamic and lively border region with an exceptionally high quality of life. Join us in providing the next generation of specialists and managers with the best possible education and preparing them for the challenges of the future.

The Social Sciences Department has a vacancy for the following position to be filled at the earliest possible date:

**W2 professorship (m/f/d) for Prenatal Care, Obstetrics and Early Parental Leave**

**Your profile**

- A degree in midwifery science or in a relevant, related scientific field with a focus on the fields mentioned above
- Proven knowledge and sound practical skills in the fields of prenatal care, obstetrics and early parental leave
- Willingness to actively shape and promote the professionalization process and the development of midwifery science as a discipline. In this context, the special features of a midwife’s academic primary qualification must also be considered
- Research experience and experience in acquiring third-party funding in the context of the relevant fields
- Experience in the conception and implementation of skills lab teaching is an advantage with regard to the theory-practice transfer
- Completed midwifery training is desirable
- A well-founded teaching and research concept that meets the requirements of the professorship

**Your tasks**

- Assuming responsibility for both theoretical and practical instruction in our midwifery degree programs, along with facilitating interdisciplinary teaching across other faculty programs
- Supervising/guiding students during the course of the various theoretical and practical modules
- Research and publications in the relevant fields
- Active participation in the conceptual and curricular development of the faculty's midwifery degree programs
- Participation in academic self-governance and committees
- Initiating and (co-) developing collaborations with regional, national and international partners
- On-site presence at the university in order to provide optimal support for students
Your application

We would particularly like to encourage women and international applicants (m/f/d) to apply. Applications from severely disabled persons or persons of equal status will be given special consideration in cases of equal suitability.

If you have any questions about your suitability/qualifications and the application modalities, please contact:

Prof. Dr. Christine Dörge
Chair of the Appointment Committee
T. +49 (0) 681 5867– 814
christine.doerge@htwsaar.de
