

Regulations for the participation in activities of the htw saar International Office semester program during the corona pandemic in June, 2021

To participate in activities of the International Office semester program, you need to carry the following documents with you:

- passport*
 - current test certificate no older than 24 hours (valid for the entire duration of the activity)*
- or***
- vaccination certificate showing your COVID-19 vaccination (on the day of the activity, your second vaccination or your vaccination with Johnson & Johnson must have taken place at least 2 weeks beforehand)*

Student tutors and employees of the htw saar International Office have the right to exclude you from activities if you do not carry the above-mentioned documents with you or are unwilling to present these documents when asked. And even if the current corona regulations do not require you to carry the above-mentioned documents, the htw saar International Office insist that you carry these documents to semester program activities with you until further notice.

Please abide to the DHM rules whenever necessary (Distance, Hygiene, Mask). Thank you for your cooperation!
